"Forget this: It's a Rumor", some of you would say....But have you seen any fire without smoke before if it is not an electric smoke in a Dancehall or electric cigarette?

Believe it, credible sources tell us that Dr. Kwesi Botchway, a learned smart mind and former minister under the previous government of NDC has been confirmed by the NDC executives as the Vice President to work with President JOHN Mahama.

Is this a done deal to help the NDC maintain retain power in the coming Dec. general elections in Ghana? Is this a big challenge to Nana Akuffo Addo's presidential ambition?

"Tafiakwa.....Things go bi K3k3 for Ghana:"...interesting election year.....we pray for peaceful pre and post election period:

BUT WHO IS DR. KWESI BOTCHWEY?
